

CEO PRESENTATION CHEAT SHEET

1-PAGE REFERENCE — KEEP VISIBLE DURING DEMO

DATE: 2026-07-08

DEMO URL: <https://econares-website.vercel.app>

TIME BUDGET: 15 MIN DEMO + 15 MIN DISCUSSION

THE 60-SECOND ELEVATOR PITCH

"ECONARES now has a professional B2B web platform that positions us as the integrated Philippine partner for fuels, minerals, and construction. It captures RFQ leads through dedicated forms, is mobile-responsive, and is built to industry best practices. The site is live today and ready to rank on Google once we submit to Search Console."

THE 5 DEMO ANCHOR POINTS (MUST-HIT)

1. **HOMEPAGE HERO** — "Industrial Fuels, Minerals & Construction — From One Philippine Partner"
 2. **STEAM COAL PRODUCT PAGE** — spec table (NCV 5,500-6,500 kcal/kg), related products
 3. **CONTACT RFQ FORM** — both tabs, 20 commodities in dropdown, 4 sales officer cards
 4. **PROJECTS** — Republic Cement, Century Peak, Carrascal Nickel, TBC Port
 5. **CAPABILITIES** — concept B, manifesto + 4 chapters, "two facets of the same brand"
-

THE 3 NUMBERS TO REMEMBER

- **68 PAGES** (built, live, fast)
 - **₱60K-₱90K** (one-time completion bonus ask)
 - **₱8,000/MO** (maintenance retainer ask)
-

THE 5 ANTICIPATED CEO QUESTIONS (TOP OF MIND)

Q	ANSWER (KEY PHRASE)
WHO BUILT THIS?	"I did, over 1-3 months, in personal time, using Astro/Tailwind/Vercel/MiniMax."
HOW MUCH DID IT COST?	"Market rate ₱420K-₱680K agency. I'm asking 15-20% of that as bonus + half-rent retainer."
WHAT IF YOU LEAVE?	"₱8K/mo retainer keeps me available. Data files are simple enough for any dev to maintain."
WHY YAHOO EMAIL STILL?	"Post-launch fix. Google Workspace ₱250/mo, 2-3 days to migrate."
WHEN ON ECONARES.COM?	"1 week migration. Deployment guide ready. Cloudflare + Namecheap."

THE 3 THINGS I AM ASKING FOR

1. **ONE-TIME COMPLETION BONUS:** ₱60,000 - ₱90,000 (CEO's discretion within range)
2. **MONTHLY MAINTENANCE RETAINER:** ₱8,000/month, 4 hrs/month of changes
3. **SIGN-OFF ON POST-LAUNCH ROADMAP:** photography, articles, domain migration

THE 3 THINGS I AM NOT ASKING FOR

1. **✗** No back-pay on hours worked (the work was voluntary)
2. **✗** No role or title upgrade bundled in
3. **✗** No equity or profit-sharing

THE 5 POST-LAUNCH ROADMAP ITEMS (DISCUSS, NOT ASK)

1. **PHOTOGRAPHY SHOOT** at Cebu yard (1-2 days, real product + project photos)
2. **3 LAUNCH INSIGHTS ARTICLES** (I draft, you review, we publish)
3. **GOOGLE WORKSPACE SETUP** (sales@econares.com, ~₱250/mo)
4. **DOMAIN MIGRATION** to econares.com (1 week, Cloudflare + Namecheap)
5. **GOOGLE SEARCH CONSOLE + BUSINESS PROFILE** (1 day, free)

THE 3 CLIFF-NOTES IF YOU LOSE YOUR PLACE

- "The site is data-driven." — 20 commodities from a YAML file, 5 min to add new ones
 - "It's built to industry best practices." — Static site, mobile-first, accessible, SEO-ready
 - "This is a fair arrangement." — 35% of market value, sustainable for both sides
-

THE 2 EMERGENCY ESCAPES (IF CONVERSATION GOES SIDEWAYS)

1. "I'd like to give you time to review the documents. I'll send them after the meeting and follow up by [date]." — Use if CEO wants to defer.
 2. "That's a good question. Let me research and get back to you with a precise answer by [date]." — Use if you don't know something. **NEVER MAKE UP ANSWERS.**
-

THE 1 THING TO REMEMBER

YOU ARE NOT SELLING. YOU ARE SHOWING. THE SITE TALKS. YOU BACK IT UP.

THE CEO WILL SEE: a real, working, professional B2B platform. The compensation conversation comes AFTER the demo, when the CEO has seen the value.
