CONSTRUCTION AND RESOURCES

Construction and Trading Services

THE COMPANY

ECE Construction and Resources OPC is a Construction & Trading company duly registered by the Securities and Exchange Commission under Philippine Laws that has strong partnerships with local and international companies to provide optimum services and cater best quality products.

One of its subsidiary is ECE Resources and General Services which was registered on 2015 under the Department of Trade and Industry that offers various best quality products in bulk such as local and imported industrial fuels in different specification like steam coal, metallurgical coke, palm kernel shell and woodchips to suffice the huge demand of sugar mills, cement plants, manufacturing plants and energy-generating power plants in the country. Aside from industrial fuel, it also supplies different kinds of industrial raw materials, metallic and non-metallic minerals like construction aggregates (screened & crushed), marine sand, boulders/armour rocks, diorite, limestones, chromite, nickel, iron sand, silica sand, greywackes, pozzolan, copper, clinker, quicklime/hydrated lime, gypsum, anhydrite, and other mine mineral resources.

In 2019, ECE Construction Services was established under the Department of Trade and Industry with Regular Contractor's License from Philippine Contractors Accreditation Board (PCAB), as another subsidiary company, that handles all types of Construction and Engineering Works in both Horizontal and Vertical Fields such as land development and housing works, reclamation projects, road networks, ports & bridges, shipyards, industrial & manufacturing plant construction, structural steel fabrication & installation, commercial buildings & civil works, electrical works, mechanical / electromechanical engineering, cooling system/ventilation installation, water treatment facilities, deep well & water supply filtration, surveying & designing and mineral processing plant installation.

Construction and Trading Services

OFFICE LOCATION

ECONARES/ECE CONSTRUCTION/ECE RESOURCES OFFICE

G/F BT & T Bldg., Hollow Block Road, Tabunok, Talisay City, Cebu 6045 Philippines

Landline Number: (+63 32)232 6280

Email Address: ece.eleguinresources@yahoo.com

A. PRODUCTS

1. Industrial Fuel

Steam Coal /
Metallurgical Coke

Palm Kernel Shell

Woodchips

Diesel

2. Metallic & Non-Metallic Minerals (Raw Materials)

Aggregates/Marine Sand/Rocks

Clinker

Gypsum

Hydrated & Quicklime

Chromite

Iron sand

Greywackes

Copper

B. SERVICES

1. Detailed Engineering Design & Construction (Horizontal & Vertical)

Land Development

General Construction

Architectural Design & Planning

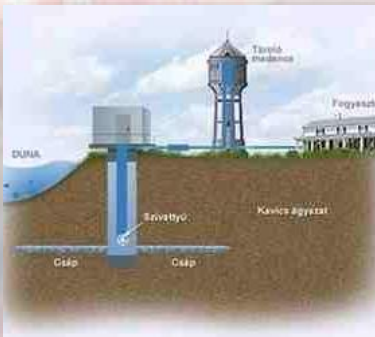

2. Environmental Protection

Waste Water Treatment

Deep Well & Water Filtration

Consultation

3. Marine Services

LCT/Tug & Barge/Vessel

Piling Barge/Crane

Cutter Suction/3n1 Dredger

Survey

C. PROJECT: COAL & RAW MATERIAL SHIPMENTS

1. Republic Cement Coal Shipments

Coal Loading

Trimming

Quality/Quantity Inspection

Coal Discharging

2. Century Peak Manufacturing Corp. Aggregates Shipments

Aggregates Loading

Trimming

Discharging

Stockpiling

3. Carrascal Nickel Ore Shipment Loading

4. Other Projects

Marine Sand/River Sand Shipment

Limestone Deliveries

Diorite Deliveries

D. PROJECT: CONSTRUCTION

1. TBC Port Project

2. PDODC Housing Project

3. Geordanson Complex Warehouse

4. The Mason-Maria Luisa Land Dev't

5. LPDC Land Dev't. Project

6. ALS Deep Well Water Drilling

7. Mandani Bay Project

8. Dawis Residential Subdivision Project

9. Pardo MRB Project
